Dear Parents,

Warm Greetings from Delhi Public School, Barasat fraternity!

As a school which deals with children for a good number of hours, it is our duty to look into their well being and security. We do not want to risk any chance of compromising with the security of the students.

Keeping in mind the above stated points, it has been decided that no private/public vehicles except the school buses will be allowed inside the school gate from session 2024-25. We are trying to remove the trucks parked outside the school boundary so that parents are not inconvenienced while dropping off their wards.

We shall designate nannies/helpers for students to be escorted to the school building from the main gate. However, any student not wearing the ID card will not be allowed inside.

Looking forward to your kind cooperation.
